## Sato Says Japan Should Play Role In Vietnam

By ED NICHOLLS

SEATTLE (AP) — Japanese Prime Minister Eisaku Sato declared Sunday that he believes Japan should "play some sort of a role" in Vietnam.

He did not spell out his meaning, but he termed the Vietnam war "an Asian problem," then added that it also is a world problem.

Without clearly explaining, the 66-year-old prime minister told newsmen here that "if I were to excessively commit my country to a military burden, then I should be subject to criticism."

The Japanese constitution, drawn up after World War II, prevents Japan from having any armed forces, save those for defense.

A Japanese official with Sato explained that the comment on a military burden was a "purely hypothetical" statement and was not intended to be any sort of policy declaration. The official said there was "at present" no desire to change the defense provision in the constitution.

"Sato plans to discuss both Vietnam and the return of Okinawa to Japanese control with president Johnson Tuesday and Wednesday in Washington, D.C. and the fate of Okinawa.

### Clouds Shown

WASHINGTON (AP) — The newest U.S. weather satellite beamed the premiere of its troubling television show of the world's cloud cover back to earth Sunday with good reviews from space scientists.

The first pictures showing an area of 4½ million square miles in the North Atlantic area of excellent quality the National Aeronautics and Space Administration reported.

The ESSA 6 satellite, shaped like a hatbox, was launched Friday from Vandenberg Air Force Base in California as a replacement for earlier weather cameras. NASA scientists turned the satellite on its side and sent it into a rolling orbit before turning on the television Sunday.

## North Vietnamese Charge U.S. Defenders At Dak To

By GEORGE ESPER

SAIGON (AP) — North Vietnamese army regulars charged

at U.S. defenders near Dak To in the central highlands tonight but withdrew after two hours of heavy fighting. The Americans fired 105mm howitzers at point-blank range to hold their positions.

Unofficial accounts from the scene said nine U.S. soldiers were killed and 25 others wounded, bringing the U.S. toll in 11 days of fighting in the area to 101 killed and 528 wounded. Red casualties in the fight were not immediately known. Before the fight their losses were more than 600 men killed.

There were reports the Communist forces had breached the U.S. defense perimeter at one point in the fighting and that paratroopers of the American 173rd Airborne Brigade were rushed in to drive them out.

AP correspondent John Leopold reported from the battle zone that the sharp new action came after a day of light skirmishes along the highlands battlefield. Earlier U.S. intelligence reports said the North Vietnamese had moved heavy reinforcements to bolster their ranks. The North Vietnamese force is believed to include a rocket regiment armed with 122mm projectiles.

Leopold reported the airborne brigade came under frontal assault after fighting about six miles southwest of Dak To in what U.S. officials believe is an effort to score an "impact victory" to embarrass South Vietnam's new civilian-based government.

But the Communists also may be seeking to keep open an important infiltration route into the South from Laos by knocking out U.S. defenses at Dak To, which straddles the route.

Earlier in the day U.S. forces launched fresh helicopter assaults against the five North Vietnamese regiments believed to be in the area.

The choppers rose to seek out the enemy after U.S. troops encamped in the area weathered 10 hours of incoming Communist rocket and mortar rounds.

So far 635 North Vietnamese soldiers have been killed over the last 10 days. U.S. casualties

stood at 92 killed and 500 wounded, the U.S. Command said. In one clash today a U.S. reconnaissance team killed two but were said to be in the light.

The Dak To base camp, however, was bristling with activity.

Big four-engine C130 transports roared onto the 5,000-yard airstrip at short intervals with more supplies and ammunition. Bare-backed U.S. gunners worked their howitzers

## Minister Challenges LBJ Following Weekend Tour

By FRANK CORMIER

WASHINGTON (AP) — President Johnson spent a whirlwind

weekend defending his Vietnam policies, then listened in church as a Virginia clergyman bluntly suggested the chief executive should publicly explain America's role in the war.

This challenge was put directly to Johnson by the Rev. Dr. Catesh-Pineyway Lewis during Sunday services at historic Bruton Parish church in Williamsburg, Va.

The President and Mrs. Johnson, daughter Lynda and her fiance, Marine Capt. Charles R. Bob, sat a front row pew barely 10 feet from the Episcopal rector as he put his questions.

The Johnson administration's public information policies came under attack a few hours later from the Freedom of Information Committee of Sigma Delta Chi, an 18,000-member profes-

sional journalism society. The panel said in a report that some of the administration's top officials have been "deliberately misleading the public — the press and the Congress through flat lies, through half-truths and through clever use of statistics that distort." It called the President's news conference "well organized for a White House show job."

The report, released in advance of Sigma Delta Chi's national convention opening Wednesday in Minneapolis, Minn., charged the State and Defense Departments and the National Aeronautics and Space Administration are the worst offenders in the public information field.

For the chief executive, the sandy-haired Dr. Lewis doubtless provided an unwanted climax to a 5,100-mile Veterans Day weekend tour that took him from Ft. Benning, Ga., to the

carrier Enterprise off the California coast, then back to the East.

Dr. Lewis told the President "there is a rather general consensus that something is wrong in Vietnam." The clergymen went on —

"We wonder if some logical straightforward explanation might be given without endangering whatever military or political advantage we hold.... While pledging our loyalty we ask respectfully why?"

The minister, described by parishioners as a conservative Southern Democrat with roots deep in Alabama, said:

"We are appalled that apparently this is the only war in our history which has had three times as many civilians as military casualties. It is particularly regrettable that to most nations the struggle's purpose appears as a form of neo-colonialism."

## Freed Prisoners On Way Home

PARIS (AP) — Three U.S.

Army sergeants freed by the Viet Cong, landed in Paris to day on the way to report to the Defense Department in Washington.

Traveling under the care of a State Department officer from the U.S. Embassy in Beirut, the three soldiers refused to make any comment.

"They are under great pressure," said the State Department official, A.B. Beeton. "They just want a chance to

talk to their superiors in the Defense Department before anyone else."

Beeton said one of the three, Edward R. Johnson, of Seaside, Calif., was "under medication. He is sick and suffering from diarrhea and malnutrition. Our first thought is to get him to a hospital."

Johnson and the other soldiers "are," said James E. Jackson of Tallcott; W. Va., and Daniel Lee Pilzer of Spring Lake, N.C., flew to Rome from Beirut earlier today on the way to New York and Washington.

With them on the flight was Thomas Hayden, 23 of Newark, N.J., who said he had helped facilitate their departure from Phnom Penh, Cambodia, "so they could go home and see their families and government officials."

The three were released in the Cambodian capital Saturday.

Hayden, a member of the anti-war American Peace Committee, told a reporter on the flight that he had been in Hanoi in the past "but had nothing to do with this."

All five members of the group traveled in the economy class compartment of the Pan American World Airways flight. The freed prisoners declined to answer any questions. They referred everything to Beeton, who sat across the aisle.

He conferred with them during the flight and quoted them as saying they wanted to make no statements or be photographed before they had a chance to report to their superiors in Washington.

## 5 Appointed To Hospital Board Here

Five three-year appointments to the Magic Valley Memorial Hospital Board were announced Monday morning by Heber Loughmiller, chairman of the county commissioners.

He said three members were reappointed for another three years. These are Robert Stephan, Twin Falls attorney; Von Nobek, Hansen farmer, and John Brookridge, Twin Falls rancher and farmer.

New board members are Alva Parrot, Twin Falls businessman, and Clarence Hollisfield, Hansen farmer.

Mr. Loughmiller said the two new men replace Charles Connor, Hansen and Mrs. Foster Guile, Buhl.

Mr. Loughmiller was joined by commissioners William Chancey and Morris W. Carlson, in expressing appreciation to the two retiring board members for their long service to the county and hospital.

## Idaho Liquor Law Study Is Held In Twin Falls

The third of a series of public hearings was held Monday at the Holiday Inn in Twin Falls. The hearings were held to approve in 1947 and the present laws established. He said many of the laws are now out of date and need revamping.

He said the main change club operators want is the hours bars now operate under. Club owners have said they feel the closing hour should be extended.

Conducting the session was Rep. Robert Green of Boise, chairman of the appointed legislative committee.

Gone Knopp, Twin Falls, president of the Idaho State Bar-Restaurant Association, said members of his group also feel Idaho's liquor laws are "obsolete and outdated" and that some changes need to be made.

## Five Hippies Held In Buhl Jail After Being Chased From Town

BUHL — The attitude of the Buhl youths involved in a confrontation with five hippies peddling narcotics in the community here was praised Monday by Police Chief Richard Frazier.

The chief commanded the local boys, pointing out that with bravery and the two, who

were wanted no part of the raid they were minors, charged with delinquency.

A Buhl youth who was hospitalized Sunday for what police said was treatment for effects of a drug, has been released and appears to be all right. The chief said he met with the Buhl boys, plus the five hippies Sunday night in an effort to piece together details of the incident, which occurred about 7 p.m. Saturday.

State Patrolman Duane Owens approached Buhl early at that time north of Elmer on Highway 30 because of what he termed "erratic driving."

The officer said the one car with the five hippies was being chased by two cars containing Buhl youths.

The Buhl youths apparently had given chase to the out-of-state youths after becoming frightened when one of their group had taken a capsule and was "flying high."

The hippies, including David Gavins, including David

and they were minors, charged with delinquency.

## Forecast

10% CHANCE OF RAIN

Continued mostly cloudy and mild today, tonight and Tuesday. High 55 to 68, low 35 to 45 at Rupert; 35 at Fairfield, 45 at Hailey; 42 at Buhr, 40 at Castleford; 47 at Coaling; 40, noon, 60 at T.F. Weather Bureau at 15 miles per hour today and tonight. Precipitation-probability 10 per cent or less. Outlook for Wednesday chance for occasional rain and cooler. Temperatures at 8 a.m.: 42 at Jerome; 43 at T.F. Weather Bureau; 42-43 at Buhr, three-inch; 42-43 at Castleford, three-inch 48-43.

## Synopsis, Farm Summary

Little change in weather conditions are forecast for valley area of Southern Idaho today and Tuesday. High pressure in the upper air has continued to

build westward and northward. Mostly cloudy skies are being reported in Southern Idaho valleys again this forenoon. The overcast is somewhat thinner than yesterday in some areas resulting in periods of sunshine.

A storm system moving out of the low pressure center off the coast is expected to produce some rain in Oregon and Washington Tuesday and Wednesday. The storm is not expected to move very far eastward into the high pressure. Cloudiness will lower in western valleys late Tuesday and Wednesday with a chance for a few sprinkles.

## Magic Valley Hospitals

### Magic Valley Memorial

#### Admitted

Mrs. Noel Rawson, Mrs. Ronald E. Garey, Shano Prescott, Harley Mathers, Charles Dompson, J. T. Anderson, Mrs. Lynn Dillon and Mrs. Glee R. Starr, all Twin Falls; Bill Crafton, Mrs. Romeo Trevino, Mrs. Monte Davis, Mrs. Harold Houser, Mrs. Mike Neal and Mrs. Vern Bishop, all Buhr; Mrs. Howard J. Mills, Flier; Jody Davidson and Mrs. Harry Agee, both Eden; Mrs. Sue Jolley and Alfonso Villaseca, both Rupert, and Allen D. Mink, Gooding.

#### Dismissed

Mrs. Eldon J. Haskell, Mrs. James R. Kelsch and son, Mrs. James J. Schmidt and daughter, Mrs. Richard Sterling, Frank Brunyer, Mrs. Lawrence C. Hanson, Delta Edwards and Donna Meeks, all Twin Falls; John Mark Kingrey, Carey; Clyde Green, Hailey; David Middleton, Mrs. Clifford O. Nelson and Ivan Crafton, all Buhr; Maude M. Jackson, Gooding; Joseph Erickson and Jay Ulrich, both Kimberly; Mrs. Robert G. Muncur, Burley, and Mrs. Lee F. Morgan and daughter, Hazelton.

#### Births

Daughters were born to Mr. and Mrs. Gordon Helmer, Mr. and Mrs. Orlen Peterson, both Burley, and Mr. and Mrs. Gary Vigil, Rupert, and Mr. and Mrs. John Anderson, Declo, and Mrs. Felix Canta and son, Paul.

#### Courthouse

(Continued From Page One) be divided when the courts, attorneys and library move into new quarters. They estimated that by Thanksgiving most of the new building will be occupied.

One definite plan, however, is to move the county's Justice Court, conducted by Judge Reed Maughan, into the area now used as a jury room on the third floor of the old building. This will place all of the courts in closer proximity. The Justice court is now located in the old hospital building at the west entrance of the city.

The present district court room, judge's chamber and prosecutor's office will become the new offices of the county assessor. These offices are now located in the courthouse basement, an area that will be turned over the Civil Defense unit.

Commissioners who now have no conference or meeting room space may move into present probate court quarters and the sheriff's office would move the drivers license bureau into the commissioners present space.

Heber Loughmiller, commission chairman, said plans are not definite as to utilizing facilities of the old building and it may be some time before the remodeling is complete.

Commissioners said the juvenile probation office will probably be the first occupants of the new building, because of their present emergency operation. Carpet will be laid in the new courtrooms and several other parts of the annex this week and moving is expected to begin shortly after that, they explained.

## Writer Dies

FRANKFURT, Germany (AP) — Kurt Bartel, 53, prize-winning writer and member of the East German Communist party, collapsed and died at a left-wing rally here Sunday night. The Frankfurt state prosecutor ordered an au-

## Twin Falls News In Brief

Ascension Guild will meet at 1:30 p.m. Thursday in the Memorial Room of the Episcopal Church. Time has been extended for completion of the guild cookbook. Church women are reminded to bring recipes to the meeting or leave them at the church office.

Richard White, son of Mr. and Mrs. Albin D. White, 1860 Kimberly Road, was in charge of sound effects for "The Wall," the year's first drama production at Linfield College, McMinnville, Ore.

# Heyburn Councilman Sworn Into Office

HEYBURN — Bob Hambleton, check into the matter. The newly elected councilman, has been sworn into office, to fill between 10 a.m. and noon, and the vacancy made two months on Fridays between 4 and 5:30 p.m. ago when Councilman Ross Corless moved from the city.

The council approved purchase of a pump for sewer line to service the Uela Oshorn residence. Earl Rose, council member, was instructed to check for feasible location to construct sewer line to the Van Leuven property on O Street.

Electrical rates were discussed and it was agreed that an adjustment is in order for commercial users. The electric system is set up to classify various users on commercial rates and single-phase users on residential rates.

A Heyburn businessman presented a request to the board to make a study concerning his monthly bill, which is figured commercially because of the heavier wiring. The council will meet with representatives of BPA in a few weeks and will discuss it further.

Jack Strauss reported on a meeting he attended of the Snake River Power Association at Idaho Falls.

A project instigated by Don Hill, city electrician, has been completed to provide the city with three separate electric power feeds from the substation to the city. He said that although there may be an outage in a certain section of the city, it will not affect everyone and will be held to that certain area.

Mr. Hill started the project last year after he was hired as city electrician and has worked on it as time allowed. The electric department installed five more mercury vapor street lights along Highway 30.

Councilmen agreed that something should be done about "junk cars" around the city but it is difficult to find a place to dispose of them.

## Ex-Murtaugh And Hazelton Woman Dies

HEYBURN — Funeral services for Mrs. Sybil Anderson, 57, Fontana, Calif., former Murtaugh and Hazelton resident, were held Friday at Fontana. She died Nov. 7 of cancer.

Mrs. Anderson was born Sept. 15, 1916, in Oklahoma and came to Idaho when a child. Her family settled in Hazelton and she attended school there.

She was married to Terry Anderson of Murtaugh and they resided there for several years before moving to Fontana, where she had since resided.

Survivors include her husband, Fontana; two daughters, Mrs. James Backlund, San Bernardino, Calif., and Mrs. Dean Korr, Fontana, Calif.; seven grandchildren; her mother, Mrs. Ella Wilson, Jerome; two sisters, Mrs. Rex Taylor, Heyburn, and Mrs. Frank Palmer, Gooding, and one brother, Lloyd Wilson, Heyburn.

Mrs. Anderson's mother and two sisters attended services.

## Filer Man Dies At 86

FILER — William G. Mohlenbrink, 86; 518 Midway, Filer, died Saturday morning at Magic Valley Memorial Hospital of a long illness.

He was born July 9, 1881, at Herkimer, Kan., and married Roxanne Howard Aug. 27, 1920, at Enid, Okla. He received his education in Kansas. He moved to Enid, Okla., in 1898 and to Idaho in 1929, settling at Buhl.

For the past seven years he had lived in Filer. He was a member of the Immanuel Lutheran Church, Twin Falls.

Surviving, besides his widow, are two sons, Louis Mohlenbrink, Twin Falls, and Gale Mohlenbrink, Herman Hohenbrink and Mohlenbrink, George Mohlenbrink, Herman Mohlenbrink and Chris Mohlenbrink, all Enid, Okla.; two sisters, Anna Dalmatyn and Mrs. Paul (Alma) Schultz, both Enid, Okla., and nine grandchildren. Two brothers preceded him in death.

Funeral services will be conducted at 2 p.m. Tuesday at Immanuel Lutheran Church, Twin Falls, by Rev. Harold Iben.

Final rites will be at Filer JOOF Cemetery. Friends may call Monday and until 11 a.m. Tuesday at White Mortuary, and from noon until 1:30 p.m. Tuesday at Immanuel Lutheran Church.

Law, laws, payment, — Terms on balance, — Law, interest, — Chances of lifetime to step into 20 year established business — Very potential, — 10 day possession, — Auto-reasonable bid will be accepted. We reserve the right to reduce any or all bids. — Bids will be opened November 15th, 1967.

TWO WOMEN ESCAPED serious injury when this 1961 Falcon hit a guardrail, overturned and caught fire at 6:40 a.m. Saturday on the overpass of the Heyburn exchange on Interstate 80 N. Ann Vaughn, 21, Pocatello, was taking items from her purse which melted in the flames. She was treated and released, and the driver, Mrs. Mary A. Palo, 22, Moore, was held overnight at Minidoka Memorial Hospital, Rupert. Heyburn volunteer firemen extinguished the flames, but the car was demolished. Officers said a truck driver, who came on the scene, got Mrs. Palo out of the burning car and was most helpful, but in the excitement officers failed to obtain his name.

## Secret Service Faces Challenge Of Protecting LBJ In Campaign

By HARRY KELLY  
Associated Press Writer

WASHINGTON (AP) — Four years after Dallas, a bigger Secret Service with a more official look faces the challenge of protecting a President cam-

paigning in an atmosphere of war and protest demonstrations.

But several politicians questioned about the subject say they don't foresee that security problems will restrict President Johnson's—or his opponent's—ability to campaign in the usual open, hand-shaking style in 1968, assuming Johnson seeks re-election.

A veteran Congress member familiar with problems of security as well as of politicking, summed it up this way:

"Presidents and presidential candidates are politicians, and politicians want to rub elbows with the masses, and no one will be able to stop them, even if the Secret Service would like to."

Johnson's Veterans Day tour this weekend will be his first swing around the country since the 1966 congressional election. The schedule limits him to the relative security of military bases.

Some observers believe the fairly limited domestic travel

installed a computer.

The most impressive gain is in the field of preventive security—the finding of troublemakers and potential assassins before they can strike.

In its assassination-potential, the Warren Commission was leery critical of the lack of communications between the Secret Service and other federal and local agencies.

Although reports on Lee Harvey Oswald were in files of the FBI, the CIA, the State Department and the Office of Naval Intelligence, the Secret Service has nothing on him.

For the Secret Service bodyguards the antithesis of security is presidential exposure—motorcades, crowds, well-trumpeted schedules.

If the service is concerned about possible security pitfalls on the 1968 campaign trail, it doesn't do its worrying in public. But while it officially shrugs off such problems as part of the job, it is acutely aware of the hazards.

And it is better manned and equipped than it was Nov. 22, 1963 when President John F. Kennedy was killed by a sniper as he rode in an open limousine in a Dallas motorcade.

It has 575 special agents compared with 350 in 1963. To get a bird's-eye view of rooftops and building windows, it makes use of helicopters. The presidential limousine is bullet-proof.

The service now has formal liaison with the FBI, the CIA and other security and law enforcement agencies, creating a routine channel for a vastly increased flow of intelligence.

And it is making more use of scientific developments. It has

before the assassination, the service had about 100 names in its "trip file"—persons considered to be sufficient threat to be checked out when a presidential trip is planned. Now the file has 1,800 names.

This doesn't mean that many more people are becoming threats to the President, only that the service is getting more information from federal, state and local agencies as well as from citizens.

A WEDDING GOWN from Lincoln's era will be one of the attractions at the Junior Club's annual benefit fashion show and card party set for 8 p.m. Thursday at the Bishop Rhe Auditorium. Mrs. Jerry Molchoff models this antique wedding gown which was furnished courtesy of Ed Jagoles, Filer. A special portion of the show will feature antique clothing including a maid's dress worn by one of Lincoln's maids, a relative of Mr. Jagoles. Mrs. Julian King is general chairman of the event, with Mrs. Robert Musser as co-chairman.

THESE BOOTS ARE made for walking — and dancing, and fun. With their growing popularity, they will be seen highlighting many winter fashions that will be shown at the Junior Club's eighth annual benefit fashion show and card party. All fashions will be furnished by the Mayfair Shop.

## Junior Club Plans Benefit Fashion Show, Card Party

"Tost to the Holidays" — a benefit fashion show and card party sponsored by the Junior Club, is scheduled for 8 p.m. Thursday at the Bishop Rhe Auditorium.

Proceeds from this eighth annual show will go to a scholarship fund for the College of Southern Idaho.

A special feature of the show will be antique clothes furnished by Ed Jagoles, Filer, including a wedding gown from Lincoln's time and a maid's dress worn by one of Lincoln's maids, a relative of Mr. Jagoles.

Current fashions for the winter season will be furnished by the Mayfair Shop, with Mrs. Larry Harvey as narrator. Tickets for the event can be obtained by calling Mrs. Eddie Sutton, 733-0061; Mrs. James Spafford, 733-7333, or any Jun-

## Pancake Supper Set In Jerome

JEROME — Methodist church Junior MYC will sponsor a pancake supper Wednesday, Nov. 15, at the church basement. Serving will be from 5 to 8 p.m.

Pancakes, sausage, eggs and beverage will be served and prices include \$1.25 for adults, 75 cents for children 6-12 and children under six free.

The public is invited.

Dear Abby

By ABIGAIL VAN BUREN  
DEAR READERS: I recently published a letter asking my opinion about letting a child see his mother in the nude. It produced an avalanche of mail. Here is the letter again, a repeat of my reply, and some typically vigorous reactions.

P.S. I must say, on second thought, I agree with the reactions.

DEAR ABBY: Do you think it's all right for little boy, say around 4 or 5, to see his mother undressed? I have a friend who thinks it's perfectly all right to let her little boy hang around and watch her dress from the skin out and she thinks nothing of letting him come into the bathroom while she is in the tub. He comes in and asks her questions, or to get a toy and visit while he gets his eyes full. Maybe I am wrong, but I don't

approve of this. My friend says it is better to let the boy KNOW that to have him curious. What is your opinion?

DAILY-READER

DEAR READER: Maybe I'm old-fashioned, but I still believe in modesty. A mother shouldn't make a federal case out of it if her 4-year-old son accidentally catches her in the altogether, but the bathroom door should be locked while mother is bathing.

DEAR ABBY: Please reconsider your answer to DAILY-READER. A 4-year-old boy is NOT a dirty old man watching a stripper in a burlesque show. He is only a child wanting to be close to his mother. Why do you have to drag "sex" into everything? You and Dr. Freud would have made a peach of a girl if he gets his eyes full. DISGUSTED-IN BUFFALO

## Mothers Club Members Pledge Certificates

Members of the Mothers Club of the First Christian Church pledged two gift certificates to the United Church World Service when they met for their November meeting at the home of Mrs. Duane Hansen.

The certificates will be used to purchase a blanket and school kits.

Three members, Mrs. Keith Jensen, Mrs. Andrea Duffell and Mrs. Hansen, were appointed to the nominating committee. It was announced that the Dec. 4 meeting will be held at the home of Mrs. Charles Moser. The unit will hold its annual Christmas auction and mothers of members will be special guests.

The members decided to prepare a Christmas basket for a needy family, with articles for the basket to be brought to the December meeting.

It was announced the club will prepare and serve at the CMF district meeting set for Dec. 21 at the church, with members donating food.

Mrs. Irene Henerer from the Twin Falls Public Library was guest speaker. Refreshments were served by Mrs. Russell Miller and Mrs. Ron Chastin. The closing prayer was given by Mrs. Ron Bohannan.

Ascension Guild will meet at 1:30 p.m. Thursday in the Memorial Room. Nursery service is provided. Church women are reminded to submit recipes to complete the cookbook.

St. Edward's Council of Catholic Women will meet at 8 p.m. Tuesday in the parish Hall Camp Fire Room. Rev. William Gould will speak on the liturgy. A mission workshop will be held after the program.

Ascension Guild will meet at 1:30 p.m. Thursday in the Memorial Room. Nursery service is provided. Church women are reminded to submit recipes to complete the cookbook.

St. Edward's Club will meet at 2 p.m. Friday at Memorial Hall. Program of the day will be on education by Mrs. Floyd Kisling. Hostesses are Mrs. Jack Dunn, Mrs. Howard Hill, Mrs. Frank Daniels and Mrs. Leonard Daugherty.

WENDELL — The November birthday meeting for the Rebekah Club, scheduled for Wednesday, has been postponed indefinitely. Announcement will be made of the birthday meeting after the holidays. The regular Christmas meeting is Dec. 20.

SHOSHONE — Opal Rebekah Lodge will meet at 8 p.m. Tuesday at the IOOF hall.

Richfield Burnham Club Has Auction

RICHFIELD — The Burnham Club bazaar and luncheon was held on the Thursday afternoon meeting at the home of Mrs. Clifford Dayley, club president. Mrs. H. A. Ross served as auctioneer for many of the members.

Mrs. Fred Simpson, former member, Auburn, Calif., was a guest. Mrs. William Brown received a Polynesian gift and Mrs. Ross, a club award. No second meeting will be held this month due to Thanksgiving.

Mrs. V. E. Perron, Shoshone, will be hostess at the Dec. 14 meeting.

## Mary Time Club Meets At Filer

FILER — Mrs. Fred Webb, Twin Falls, was a guest at the meeting of the Mary Time Club at the home of Mrs. Paul Hash. Mrs. Robert Crawford received a gift.

The group planned a potluck dinner and gift exchange at 1 p.m. Dec. 5 at the home of Mrs. Dan Shank. Each member is asked to bring table service and a gift for the Rupert Youth Ranch.

New officers will be elected at this meeting.

AS MRS. JOHN HAYES prepares to move from her old residence at 147 7th Ave. E. she is donating items to Phi Theta Kappa members for their drive and auction scheduled in observance of the 50th Anniversary of National Phi Theta Kappa Week, Nov. 13 through 18. Collecting the items from Mrs. Hayes are Douglas Klinzel and Robert Jacobs. A drive to collect items suitable for an auction is scheduled for Friday, with the auction set for Saturday at 250 Main Ave. N.

## Phi Theta Kappa Members Schedule Drive, Auction

"Fifty Years of Scholastic Books and Picture Frames, Achievements" is the theme for the observance this year of National Phi Theta Kappa Week when some youth look upon education as a drudge rather than a privilege, because its members are those who are very wrapped up in learning. They look beyond the class room and text books for knowledge.

They have invited many of the faculty members to conduct seminars in an effort to gain from the personal contact and opinions that are not ordinarily obtainable in a class room situation. The chapter is conducting an extra curricular study of Idaho's history of 100 years ago. Field trips are planned to historic sights for first hand observations.

The results of this study will be compiled and sent to the National Phi Theta Kappa Organization as an entry in a competitive national "Honors study." This entry will make them eligible to send delegates to the National Honors Institute in Boston, Mass., which is being held to commemorate the society's 50th Anniversary.

The initial drive will be Friday, with the auction set for 1 p.m. Saturday in the Junior Achievement Inc. building, 260 Main Ave. N.

Already some interesting items have been donated including old chairs, a calculating machine and copier, formals, jars and bottles, a skunk skin, etc. Local chapter members feel this is a chance of a life time to send one of their deserving

scholars to bring back to the local college some first hand observations of the nation's birth and growth.

**CARD PARTY PLANNED**  
SHOSHONE — St. Peter's Catholic Church will sponsor a public card party at 8 p.m. Friday at the American Legion hall. Tickets will be sold at the door. Refreshments will be sold.

## Idaho News

### SERVICES SET

BOISE (AP) — Services are scheduled Tuesday for a long-time Idahoan writer and daughter of Idaho Pioneers, Mrs. J. C. Mills, 87, of Boise, who died Friday after a short illness.

Mrs. Mills was born in 1880 to John and Josephine Irion at a ranch along the Payette River.

Surviving her are three sons, Warter C. Mills, Idaho commissioner of law enforcement; James Mills of Boise, and Paul J. Mills of Los Angeles.

### MISS WOOL NAMED

BOISE (AP) — An Idaho State University coed was named Miss Wool of Idaho Sunday as Idaho woolgrowers began a three-day convention in Boise.

She is Serra Sakelaris of Pocatello, a sophomore majoring in physical education.

Mrs. Sakelaris succeeds Dee Ann Sappington, also of ISU.

### DEAN SELECTED

MOSCOW, Idaho (AP) — The University of Idaho College of Mines dean has been selected for a National Science Foundation panel to select persons for fellowships, the university said Sunday.

Dr. Rolland Reid will help select some 275 university professors of science, mathematics and engineering to receive the national science foundation awards.

The panel meets this week in Washington, D.C.

### PROJECT PLANNED

MCCALL (AP) — A statewide effort to raise funds for a medical aid project in Vietnam was announced at the mid-year convention of the Jaycees Club of Idaho wound up Sunday.

The campaign will attempt to raise enough money to sustain the project for one week, Jaycee President Ed John, Payette, said.

Some 400 Jaycees and their wives attended the convention, one of two held each year by the service club. Payette Jaycees were recognized as first place winners in the club's Keep Idaho Green contest.

**Missouri Girl Chosen Miss Teen-Age**

DALLAS, Tex. (AP) — A smile of a girl with her glow, Stephanie Crane of High Ridge, Mo., is the 1968 Miss Teen-age America.

The 17-year-old high school senior was selected the favorite of the 62 other contestants because of her spontaneity and friendliness.

Stephanie said at a news conference Sunday she never considered how to impress judges, fellow candidates or the pageant officials.

"More than winning the contest I wanted to be happy with myself and the only way I could was to be myself," she said. "I didn't want to be pegged as something I wasn't. I'm glad the judges liked me."

She will use the \$10,000 scholarship she woh to choose and attend "the best possible school for drama and singing in the country" with the hope of entertaining professionally some day.

Her parents, Mr. and Mrs. Daniel Richard Crane, said they were numb. Their two younger children, a boy, 6, and a girl, 3, watched on color television sets back in High Ridge with an assortment of aunts and uncles and grandparents.

In addition to the scholarship, \$100-a-new-car-a-guaranteed \$5,000 in personal appearances that will take her up to 500,000 miles around the nation during her reign, a clothes wardrobe, and stock in two of the sponsoring companies, are great."

**Ultranationalist Chief Says Party Will Capture Seats**

### BY OTTO DOELLING

HANNOVER, West Germany (AP) — The new chairman of West Germany's ultranationalist party promised Sunday that the party will capture its first seats in the federal parliament in the 1969 election.

Adolf von Thadden, the 46-year-old chairman of the National Democratic party, praised the 1,400 delegates to the rightist party's three-day congress for adopting a strong nationalistic platform.

"This young party can no longer be held back in its growth," he told them. "If there were a federal election right now, we would get 8 to 10 per cent of the votes. In any case we will be the opposition in the Bundestag in 1969."

This would make the NDP West Germany's No. 3 party, behind the Christian Democrats and the Social Democrats, the partners in the present coalition government.

Von Thadden, who is given much of the credit for his party's landing seats in six of the 10 West German state parliaments, is attacked by opponents as the purveyor of neofascism and acclaimed by supporters as the herald of a healthy new German national spirit.

The party congress approved a platform calling for erasing the German feeling of guilt for

nationalism and for Hitler's al-

### FIRE PROBED

CALDWELL, Idaho (AP) — Firemen were still trying to determine today the cause of a fire which left an undetermined amount of damage at a grain warehouse and mill this weekend.

The blaze destroyed the Allied Seed Co. warehouse in Caldwell.

### Funds From Yule Cards Aid UNICEF

Persons interested in ordering Christmas greeting cards from the United Nations Children's Fund may do so by contacting Mrs. John Breckenridge or Mrs. Evelyn Ellis, both Twin Falls.

Because of the donation of talented artists, a large sum of the money paid for the cards goes directly into the United Nations Children's Fund to help relieve sickness and hunger among the needy children of the world.

It is estimated that half of the young children in the developing countries—some 400 million—have no school to attend, and no teacher to instruct them. Money contributed to UNICEF, through either the greeting card sales, Trick or Treats at Halloween or direct donation, helps provide milk, food and medicine, as well as health training for both mothers and children, Mrs. Breckenridge said.

One penny buys six glasses of milk and a nickel provides penicillin to make two children well. Financial contributions are used to buy books, medicine, train nurses and help make things clean.

Governments of nations where UNICEF money is spent contribute an average of \$2.50 in services, such as providing local supplies, buildings and staff, for each dollar spent by UNICEF.

Residents may contact Mrs. Breckenridge at 733-7830 or Mrs. Ellis at 733-2380 evenings.

### King Warns Britons Of Race Problem

LONDON (AP) — Dr. Martin Luther King Jr., warned Britons Sunday that their racial troubles could grow serious unless they took steps now to deal with the problem.

He arrived for a two-day visit and will receive an honorary degree Monday from the University of Newcastle.

King told newsmen that he probably would be talking to "some people" about Britain's racial situation while here.

"I don't know at this point about the developments here," he said. "All I can say is that England has to be eternally vigilant and extremely concerned so that the problem will not grow and develop in greater dimensions because it could become no serious here as in the United States."

"There is evidence to show that the race problems here are growing rather than subsiding and unless there is religious guidance, legislation and moral leadership, the dangers are great."

### Japan Claims 3 U. S. Navy Men Deserter

TOKYO (AP) — Four U.S. Navy men from the 7th Fleet aircraft carrier Intrepid have deserted and asked for political asylum outside the United States because they oppose the war in Vietnam, the Japan Peace for Vietnam Committee said today.

It said a representative of The American Peace Movement came to Japan a week ago to confer with the sailors.

The Japanese committee added that David Delfinger, an anti-war leader who helped organize the march on the Pentagon in Washington last month, had been informed of the defection.

A spokesman for the committee, which opposes the war, said the four were John M. Darley,

20, alman; Richard D. Bailey, 19, alman; Michael A. Lindner, 19, alman apprentice, and Craig W. Anderson, 20, alman apprentice.

No home addresses were given.

The peace committee spokesman said the four discarded their uniforms upon landing at Yokosuka and have not reported back to the Navy.

"They left their aircraft carrier with a firm determination to oppose the Vietnam war," the spokesman added.

The U.S. Navy confirmed that the four were absent without leave after the Intrepid sailed from Yokosuka Oct. 25.

The carrier, whose planes have been bombing North Vietnam, came to Japan for a week's recreation for her crew.

The party's ranks consist for former Nazis but the accent is on youth. The ideal the NDP offers Germany's youth is "a free fairland in an independent Europe of free nations."

Von Thadden, who is given

much of the credit for his party's landing seats in six of the 10

West German state parliaments, is attacked by opponents as the purveyor of neofascism and acclaimed by supporters as the herald of a healthy new German national spirit.

The party congress approved

a platform calling for erasing the German feeling of guilt for

nationalism and for Hitler's al-

**SHADES OF DOGPATCH!** That's what these costumes are. They wore judged the best during the annual Sadie Hawkins Day dance at Twin Falls High School Saturday night. Winning prizes were Joe Bronnan and Mickey Malberg. The dance, sponsored by the FFA, FFA and the Times-News, featured Marilyn Sam and other Dogpatch characters.

## Rockefeller Is Being Prodded To Seek Republican Nomination

By The Associated Press Gov. Nelson A. Rockefeller has been prodded to seek the Republican presidential nomination. The youth arm of the Democratic party meanwhile seems headed for a rousing battle over the peace-in-Vietnam issue.

The New York governor's candidacy "would be a good thing for my party and the country," declared Mayor John V. Lindsay of New York City.

Rockefeller's name was also on the mind of former Vice President Richard M. Nixon, who listed the New Yorker—and himself—with three others as potential candidates for the GOP nomination.

The political name-dropping occurred as a nationwide poll

said that for the first time since November 1957 Republicans

had their own plans: "If I become a candidate, I have definitely decided to enter primaries in New Hampshire, Wisconsin, Indiana, Nebraska, Oregon and South Dakota."

About 1,500 delegates from 700 chapters of the Young Democratic Club of America meet in Hollywood, Fla., Wednesday.

Several candidates for the organization's presidency support antwar and propeace resolutions.

Meanwhile, delegates to the breakaway Young College Democrat Club's convention in Boston Sunday voted to support withdrawal of American troops from Vietnam, halting the bombing of North Vietnam and convening of peace talks with the Viet Cong.

But they rejected a resolution calling for the elimination of

President Johnson from the 1968 Democratic ticket.

In an interview, Lindsay said Vietnam will figure heavily in the campaign and the Republi-

cans "ought to offer an alternative to our present course of action."

He said his own present popularity in optional polls has not caused him to harbor any ambivalence or hope of winning the nomination for himself. He listed Sen. Charles H. Percy of Illinois as another possible GOP candidate, praising him as a Republi-

cans progressive "in the best tra-

dition of the party."

Nixon's list of potential candidates, offered in a copyrighted interview in U.S. News and World Report, included Michigan Gov. George Romney, Illinois Sen. Charles H. Percy and California Gov. Ronald Reagan as well as Rockefeller and him-

self. Wallace has said in numerous recent speeches around the country he will run on a third-party ticket if neither major party offered a conservative candidate and platform.

Lindsay appeared on the CBS television program, "Face the Nation."

"It will be one of these five," he said.

The 1968 GOP presidential

## Butte Is Prostrate In Copper Strike

BUUTE, Mont. (AP) — Butte, usually the vibrant showcase of Montana's copper industry, lies prostrate under the effects of the 122-day national copper strike. Business and political leaders agree the situation will worsen before it improves.

"Easily, we may be in bad shape," said Mayor Tom Powers. "It's going to be tough pickin' come spring. This strike could lead to an emergency."

In Great Falls, wives of Anaconda Co. strikers carried their own picket signs over the weekend.

The labor dispute between the Anaconda Co. and the Steelworkers of America erupt- ed in Montana and four other western states July 15. It has idled more than 42,000 workers nationwide, 6,000 of them in Butte and nearby Anaconda.

The effects of the strike are perhaps more noticeable in Butte than any other copper city. In Butte, copper is the lifeblood. The town, the product and the Anaconda Co., are synonymous.

The city of 25,700 is built around the Anaconda Co. underground mines and the plant, Berkeley pit, an open mine.

Company officials report the strike has forced a 90 per cent cut in its payroll and has cost Montana miners an estimated \$10 million. At a cost of \$26,000 a day, according to company estimate, the strike has left a \$35 million hole in Montana's economy.

No negotiations are under way and none are planned for the immediate future. Apparently each side is bracing itself for a cold and profitless winter.

Some miners have left the state, and more are leaving. Others are working part-time and still others are subsisting on union strike benefits — generally between \$10 and \$30 weekly — and buying groceries with food stamps.

"At the beginning," said contract miner Elmer M. Fuhrmann, 38, "I had to cash two

# Today's Market And Financial Report

## Stocks

### 2:30 P.M. SUMMARY

NEW YORK (AP)—A continued stock market rally trimmed its gains late this afternoon. Trading was active.

An advance of about six points, its best in the Dow-Jones industrial average, was cut to about two points.

Gains outnumbered losers by a ratio of about 7 to 5. Analysts saw the rise as a resumption of a technical rally that got under way last week.

Stocks were leaders in the early rise and remained ahead, even though their best gains were pared. Profit taking hit some glamour stocks.

Collins Radio fell half a dozen points and E.G. & G. was down about 4, both in active trading. Also active, Fairchild Camera moved up about 4 and Clark Oil—nearly 3.

Continental Air Lines, off a fraction, paced the list on volume.

Gains of close to a point were held by U.S. Steel, Bethlehem and Republic Steel.

A 1-point loss by General Motors took some steam out of blue chips. Ford held a slight gain while Chrysler dipped fractionally.

United Air Lines, halved a 2-point rise made on word the company seeks a fare increase. Other airlines were fractionally higher.

Du Pont shaved a 1/2-point gain to a fraction.

Some oilers continued to reflect investment demand. Standard of Indiana rose a couple of points and Standard of California rose more than a point. Occidental Petroleum, however, erased an early rise and sank 3 points on profit taking.

Prices were mixed on the American Stock Exchange. Dynalectric sank about 3 points and Automatic Radio 2.

# Golden Eagles Will Open Season In Burley Against Tough Phillips 66 Oilers

BURLEY — The College of Southern Idaho Golden Eagles will debut at the Burley High in as many years for Phillips School gymnasium Nov. 20 when they meet the strong Phillips 66 Burley High School gymnasium Nov. 20 when they meet the strong Phillips 66 Oilers.

Committee decided to invite CSI to be the local representative this year over Boise to add more of a local touch. "We are business men interested in bringing a good game into Burley," says Konrad "and we feel CSI and Coach Eddie Sutton can provide this. Also it will give fans from the east end of the college district an early look at the new Eagles."

Ironically, both teams are returning five players from last year. Many of Phillips' stars from last year turned profes-

sional with the new league or advanced within the Phillips organization and gave up playing.

The returnees are Harold Sergeant, 6-0; Bill Kuselka, 6-4; Jim Kerwin, 6-2; Gary Schull, 6-7, and Gene West, 6-4. They are joined by rookies Tom Storm, 6-5, from Montana State; Jim Rose, 6-2; Georgia Southern; Ron Peyer, 6-9, from Indiana; Gil Ruday, 6-8; St. Francis of New York; Midway William, 6-6; Miami, and Mike Fink, 6-4, Colorado.

Coach Eddie Sutton doesn't like the idea of Phillips having so many rookies. "I'd rather play the older guys," he said with a smile. "They've been out of school and have had longer to get out of shape. These young guys can get into condition quickly and be at midseason form for the opener."

CSI returns big Ples Vatin, 6-3, the team's leading scorer and rebounder; Bob Glover, 5-11, rebounder; Fred Tremble, Sheehan, 6-3 forward; Mark Rich, 6-6 guard; Larry Barnett, 6-1 guard, and Louis Anderson, 6-1 guard from Muriough.

Promising newcomers are 6-7 Tom Bush, Chicago; and 6-5 Ron Adams, Spokane.

Returning to his "home" area for the game will be rookie Claude Rasmussen, who graduated from Minico last year.

Tickets for the game are on sale at Roper's in Burley, and Rupert, Thriftway of Burley and Rogerson Coffeeshop of Twin Falls. Konrad said a special incentive for early ticket buying will have pre-game prizes at \$1 for adults and 75 cents for children. Box office prizes at the gymnasium Nov. 20 will be \$1.50 and \$1.

## Surtees Captures Grand Prix race

LAS VEGAS, Nov. (AP) — Front-runner Mark Donohue ran out of gas with less than a mile to go, enabling defending champion John Surtees of England to capture the Stardust Grand Prix auto race Sunday.

Bruce McLaren of London blew the engine in his new McLaren Mark M 8A Chevrolet and dropped out of the race, but he held his first-place position in the Canadian-American Challenge Cup series.

Donohue of Media, Pa., this year's U.S. road racing champion, jumped into the lead on the 17th lap and stayed ahead of Surtees until his blue Lola T70 Chevrolet ran out of gas.

Surtees, in his red Lola T70 Mark 3 Chevrolet, swept around Donohue and earned \$9,000 top money in the race.

Donohue coasted in second, winning \$5,000.

McLaren, of London, and Saratoga, Calif., had a hard time getting started in the race.

Surtees, in his red Lola T70 Mark 3 Chevrolet, swept around Donohue and earned \$9,000 top money in the race.

# Palmer Wins World Cup Individual Honors And Leads U.S. Team To Title

By CHARLES GREEN

MEXICO CITY (AP) — Arnold Palmer shot a sparkling five-under-par 67 Sunday, won the World Cup Golf Tournament's individual honors that had eluded him in five previous tries and led the Americans to the team title.

Palmer finished at 276, 12 under par for four trips around the world's 7,200-yard Club de Golf Mexico course.

Jack Nicklaus, Palmer's partner in this tourney for national

## RakeStraw

## Rallies Bears Past Giants

CHICAGO (AP) — Sub-quarterback Larry Rakestraw came off the bench in the second quarter to hurl three touchdown passes and score twice himself, rallying the Chicago Bears to a 34-7 victory over the New York Giants in a National Football League game Sunday.

Rakestraw's heroics were aided by 307-pound defensive tackle Frank Cornish, who set up three touchdowns by intercepting two Frank Tarkenton passes and recovering a Giant fumble on New York's 23.

Rakestraw, who entered the game after an injury to Jack Concannon with the Bears trailing 7-7, slipped scoring passes of 23, 18 and 6 yards and bulldozed across from the one and 12-yard stripes.

The Giants scored the first time they had the ball, driving 65 yards to score on a lateral from Tarkenton to 243-pound guard Darrell Deas, who lumbered four yards for a touch-down.

## Vikings And Lions Battle To 10-10 Tie

By LEW FERGUSON

Associated Press Sports Writer MINNEAPOLIS-S.T. PAUL (AP) — Detroit and Minnesota staggered to a 10-10 National Football League tie Sunday in an offensive nightmare for both clubs, in which the Lions set a league record with 11 fumbles and the Vikings could not move against Detroit's massive blitzing.

The Lions overcame their bobbing long enough to tie the game in the third quarter on Karl Sweeten's 26-yard touchdown pass to Bill Malinchak, and Wayne Walker's 12-yard field goal.

But the fumbling returned at a critical time with 45 seconds to play when Tom Nowatzke dropped his ball running into the line at the Minnesota 10-yard line trying to set up field position for a possible game-winning field goal.

Detroit had tied the NFL fumbling record with their 10th bobble early in the second half, then broke it on Nowatzke's fumble. The Lions lost the ball five times on fumbles.

The old NFL record for fumbles was set in 1943 by the Philadelphia-Pittsburgh team against the New York Giants.

## Chargers Rally Late, Beat Miami

SAN DIEGO, Calif. (AP) — The San Diego Chargers exploded for 17 points in the final quarter to pull away from the upset-minded Miami Dolphins and take a 24-0 American Football League decision Sunday.

The heavily-favored Chargers, leading only 7-0 going into the final quarter, put the game out of reach when quarterback John Hadl hit Gary Garrison on a 10-yard touchdown pass. Minutes later, Dick Van Phorn boot-ed a 42-yard field goal.

Hadl, who hit 14 of 27 passes for 211 yards and two touchdowns, left the game in the final minute and watched reserve quarterback Ray Stephenson ice the victory with a 13-yard scoring strike to Lance Alworth.

The Chargers picked up the only score of the first half on a nine-yard touchdown pass from Hadl to Willie Frazier with 6:10 remaining in the opening quarter before a crowd of 34,781.

Hadl matched his total of 66 yards in eight plays for the touchdown, hitting Alworth on a 54-yard pass to the Miami 10 to set up the tally.

prize and personal prestige, tied for second with Bob Charles of New Zealand, each with a 207. Palmer had a final round of 69 strokes on the course, record. He turned the front nine in 32, four under par, and went one under on the back nine. He had six birds and only one bogey.

"I would like to have won the individual championship," Nicklaus said, "but I came here to help win the team championship. If I didn't win it myself I'm glad Arnold did."

## Packers Hit Early To Nip

### Browns 55-7

MILWAUKEE (AP) — The champion Green Bay Packers, hammed by adversity to a scapel sharpness, struck for a record 35 points in the first period Sunday as rookie Travis Williams raced twice for touchdowns on kickoff returns and hurled the bedazzled Cleveland Browns 55-7 in a National Football League game.

For Nicklaus it was his fourth trip to the stand-in help-the-the

## Rams Explode In Second Period, Win

### Los Angeles 20-17

LOS ANGELES (AP) — The Los Angeles Rams in a wild second quarter scored 20 points, 10 in the last 58 seconds, to break their game open and rolled over the Philadelphia Eagles 20-17.

A crowd of 57,628 witnessed the National Football League game as the Rams remained one game behind the Baltimore Colts in the Coastal Division.

The score was 3-3 when the excitement began. The Rams' Bruce Cossett kicked the second of his four field goals and, soon after, defensive back Eddie Meador picked off a Norm Sneed pass and ran it 25 yards for a touchdown.

The Eagles intercepted a Roman Gabriel pass, Harold Wells returning it 17 yards to the Ram seven and three plays later Sneed faked a pass and scored from the six.

With 58 seconds remaining, the Rams traveled 74 yards in five plays, Gabriel hitting Bernie Casper for an eight-yard touchdown pass to put the Rams in front 20-10.

The Eagles' Taff Reed fumbled the ensuing kickoff, the Rams recovered on the Philadelphia 20 and Cossett kicked a 27-yard field goal as the gun went off.

## Nelson Guides Steelers To 14-14 Tie

### Pittsburgh 14-14

ST. LOUIS (AP) — Quarterback Bill Nelson guided Pittsburgh 90 yards in nine plays for a touchdown in the final minute Sunday to give the Steelers a 14-14 tie with St. Louis in a National Football League battle.

Nelson hit Roy Jefferson on a six-yard scoring pass with 24 seconds left and Mike Clark kicked the point after touchdown to tie the game. St. Louis earlier had come from behind to take a 14-7 lead when Jim Hart passed to Jackie Smith from the six.

Don Shy of Pittsburgh scored from the two-to-go line, the Steelers' nearly lead while John Roland bulldozed over from the two-for-the-other at 10th touch-down.

The tie gives St. Louis a 5-3 record in the Eastern Conference's Century Division while Pittsburgh, now 2-6-1 in the same division, is 2-7.

St. Louis had used a poor, 20-yard Pittsburgh punt to get a go-ahead touchdown early in the fourth quarter. The punt gave St. Louis a first down on the Steelers 23. Hart hit Bobby Joe Conrad on a 10-yard pass before Conrad hit Smith with the touch-down.

Hadl, who hit 14 of 27 passes for 211 yards and two touchdowns, left the game in the final minute and watched reserve quarterback Ray Stephenson ice the victory with a 13-yard scoring strike to Lance Alworth.

The Chargers picked up the only score of the first half on a nine-yard touchdown pass from Hadl to Willie Frazier with 6:10 remaining in the opening quarter before a crowd of 34,781.

Hadl matched his total of 66 yards in eight plays for the touchdown, hitting Alworth on a 54-yard pass to the Miami 10 to set up the tally.

THE TIMES-NEWS

Monday, Nov. 13, 1967

## Colts Down Falcons To Stay Undefeated

ATLANTA (AP) — Johnny Unitas punctured Atlanta's leaky defenses with a barrage of long passes Sunday, hitting on 17 of 20 throws for 370 yards and four touchdowns, and led undefeated Baltimore to a 45-7 National Football League victory.

The Colt quarterback hit Willie Richardson with scoring passes of 25 and five yards to score all three touchdowns. He caught a 16-yard pass just before Tony Lorrick's scoring plunge, forced a fumble on the following kickoff with a 16-yard touch-down toss to Tom Matte, who also scored on runs of nine and three yards.

Unitas left the game in the middle of the third quarter, completing his last 17 passes only one day of the NFL record. He had completions of 54, 40 and 67 yards. In addition to the long scoring throw to Matte, the triumph brought Baltimore's record to seven victories.

The Falcons, who never forced Baltimore in punt until the last quarter, avoided a shut-out in the third period when halfback Tom Moore threw a 75-yard touch-down pass to Tommy McDonald.

## Utility Firms Work To Prevent Blackout

By JOHN SHANAHAN — NEW YORK (AP) — The house lights flicker and the electricity goes off. Generator failure? Possibly, or it could be the power company deliberately pulled the switch to avoid a repetition of 1965's Big Blackout. In the two years since that massive Nov. 9 power failure, which hit eight states and affected 30 million people, the utility companies have been working to keep lights on. But sometimes they have to turn some off to do it.

"There's been more or less a universal effort toward load-shedding which sacrifices some customers for a few minutes to save the system," says Paul H. Shore, regional engineer for the Federal Power Commission in New York.

Loadshedding automatically

cuts off portions of an electrical system when the demand on the whole-circuit is too great. "It's only temporary," Shore observes.

The 1965 Northeast blackout left the inhabitants of 80,000 square miles of the United States and Canada without light for periods of up to 13 hours. People were stranded in skyscrapers, trapped in elevators and immobilized in darkened subway trains.

Since then, the utilities have taken a "long hard look" at themselves, Shore says.

The Consolidated Edison Company which serves nearly all of New York City has taken a number of steps to provide for blackout prevention, rapid restoration of service in the event of a power failure and to avoid equipment damage from sudden surges of electricity.

It has installed auxiliary diesel driven generators at each of its 12 turbine generating stations and 15,000 kilowatt gas turbine generators in two key plants, including one at Raritan, Queens, home of the world's largest steam electric turbine generator with a one million kilowatt output. The emergency power plant's providers light at the stations and restarting power for the bigger generators.

Con Ed also has purchased and is ready to install 10 more gas turbine generators which will be able to supply enough power directly to the city's sub-way system in an emergency to keep tunnel lights on, signal systems operating and get trains into the nearest stations.

Equipment also is being installed at substations, a spokesman said, to reduce voltage slightly if necessary, thereby "supplying everybody with a little less power so we don't lose everybody."

Con Ed and some 18 other major utilities in the northeastern United States and Canada also have formed a coordinating council and operate power pools, swapping electricity "back and forth on need." In New York, a central power dispatch center is contemplated near Albany. Computers will do most of the work.

Communications and alarm

systems also are being installed, says Shore. "If we can locate where trouble is developing, he explains, "we can head it off before it gets serious."

The Big Blackout in 1965 was touched off by a tremendous surge of surplus power from Canada. It pushed through the power lines which weave grid-like through the states.

The FPC report to President Johnson last July recommended utility companies spend about \$8 billion by 1975 to install extra high-voltage (KEHV) transmission lines. That's said to be about \$3 billion more than the utilities planned.

The EVH lines provide "a much bigger pipe to carry the electricity in," says the Con Ed spokesman, "and can absorb larger surges of power."

The FPC has also asked Congress to enact an "Electric Power Reliability Act" to create regional councils of power utilities, both public and private, to develop plans for cooperation aimed at improving power service and making it more dependable.

At age 57 and 58, workers get six weeks of vacation. At age 59 and 60 vacations go to seven weeks, and to eight weeks the next two years. At ages 61 and 64, the worker is entitled to 12 weeks off.

A black and white advertisement for a flower bulb sale. The top half features the text 'CLOSE OUT!' in large, bold, sans-serif letters. Below it, 'Our entire stock of Choice' and '#1, direct imported Holland' are written. The center features the word 'BULBS' in large, bold, sans-serif letters. To the right is a black and white illustration of a tulip flower. Below the flower, the text 'Tulips, Daffodils, Hyacinth, & many more.' and 'All kinds, all colors.' is written. At the bottom, the text 'Better Hurry!' is centered above the large, bold text 'Now 1/2 price'. The bottom left corner contains a stylized logo for 'Choice' with a crown-like shape above the word.
